

# JUNIOR LEAGUE OF FORT COLLINS

May 9, 2018

To our valued community partners:

As some of you may have already heard, we suffered a water main break in our Career Closet over the weekend. Luckily most of our inventory was spared, but that is not to say we have not suffered damage. We are still actively working to dry our carpets and the walls, along with working to inventory what clothing and accessories we lost.

At this point, we are unable to accept clients and do not know when we will be able to reopen. As of today, all we are able to say is that we are unable to accept appointments until further notice. If your clients are experiencing an urgent need, we encourage them to explore and utilize other resources available to them including the Murphy Center, House of Neighborly Services, Christ Center Community Church, Vineyard Resource Center, etc. We are working diligently to have any damage repaired so we can become operational and serve the women of Northern Colorado again as soon as possible!

For further updates, please visit our [website](#) or [Facebook page](#). You may also email us directly at [careerclomet@jlfortcollins.org](mailto:careerclomet@jlfortcollins.org).

We sincerely apologize for any inconvenience this may cause to you and your clients and look forward to becoming operational again as quickly as possible.

With warmest regards,

*The Junior League of Fort Collins Board of Directors*
